## NARROWTEX PTY LTD QUALITY POLICY/VISION STATEMENT

Narrowtex is a market leader in the design, manufacture, marketing and distribution of woven narrow fabric textiles.

Narrowtex is committed to continual improvement which is also achieved by compliance with all requirements of the Quality Management System – ISO 9001 and Automotive Quality Management System Standard - IATF 16949.

**The above is achieved through Senior Management's commitment to:**

- ✚ Focusing on customer, employee and supplier needs in order to ensure a mutually beneficial relationship at all times.
- ✚ Realizing that our customers are the most important part of our business and we will provide products and services, which will fully meet our internal and external customer and applicable requirements, first time, on time, every time.
- ✚ Enhancing customer satisfaction by including processes, for continual improvement of all Core processes and Supporting Processes, including the Quality Management System.
- ✚ Comply to ISO 9001, IATF16949 Code of Practice, ISO 14001 Environmental Management System as well as Statutory and Regulatory Regulations.
- ✚ Setting realistic, measurable objectives that have the commitment of the entire workforce.
- ✚ Providing and assessing the necessary resources needed to achieve the set objectives.
- ✚ Ensure all processes will be measurable, thus striving for improvement of our product and service.
- ✚ To provide a safe and healthy working environment that will promote work satisfaction, teamwork, motivation, Quality awareness and dedication to "Doing things right, the first time".
- ✚ *Ensure our Safety Critical Items adhere to all Customer specific requirements.*
- ✚ ***The Policy Statement remains the property of Narrowtex Pty Ltd – Estcourt and is available to relevant interested parties, as appropriate.***
